Board Chairman's Foreword

校董會主席序言

The 2022/23 and 2023/24 academic years were a time of steady progress and focused effort for the College. In September 2023, a Management Planning Retreat was held under the theme 'The Way ahead – A new Strategic Plan!'. More than 50 participants – including members of the Board of Governors and College Council, senior and middle management, Faculty Deans, Academic Department Heads, Programme Leaders and Administrative Heads – gathered to exchange ideas and shape the *Strategic Plan 2024-2029*. After meetings and sessions were held for sharing and consultation, the *Strategic Plan* was finalised and approved by both the Board of Governors and the College Council. The new *Strategic Plan* reflects our College's passion and wisdom, and sows the seeds for future growth.

Since its founding as Chu Hai University in Guangzhou in 1947, the College has undergone many transitions – from the bank of the Pearl River to the shore of Hong Kong, from Mong Kok to Tsuen Wan, and finally settling in Tuen Mun. In December 2022, the Education Bureau approved the renaming of the College to include 'Hong Kong', officially recognising us as Hong Kong Chu Hai College. This affirmed our position of 'Grounded in Hong Kong, Backed by the Motherland, Connected to Greater China, Embracing the World'. Behind this change lies not only a rich history and a deep sense of mission, but also a firm commitment to the future.

No matter how the times may change, the College has always stayed true to its core mission – nurturing people. Over the past 77 years, every step forward the College has taken, including the steady growth in student number, has relied on the dedication of our staff. Long-serving colleagues are like deep-rooted trees, serenely nourishing the College, while newer members are like fresh leaves, full of energy and drive. I would also like to thank our Interim President Ms. ZHANG Jane for leading the College, and all our staff for their united efforts. It is this sense of shouldering responsibility and passion that has laid a solid foundation for the steady development and long-term success of the College. Generations of students have passed through our doors and gone on to contribute to society across Hong Kong, the Mainland and overseas. Many alumni have also chosen to give back, supporting the College and helping for the next generation. I extend my heartfelt thanks to the alumni and all who have continued to support our Missions of advancing education, research and knowledge, and nurturing the talent for the needs of the society.

Our Governors and College Council members lead by example, actively reciprocating and serving Hong Kong and the nation, earning recognition and awards from the HKSAR Government. In July 2024, the College hosted a special celebration to honour those recognised in the year's Honours List. They included our Vice-Chairmen of Board of Governors, Prof. LEE Chack Fan, GBM, GBS, SBS, JP and Mr. LAM Shu Chit, GBM, GBS, SBS, who received the Grand Bauhinia Medal, the highest honour. Our benefactor Mr. Robert NG Chee Siong, GBS, who is the father of Mr. Alexander NG Win Yew, a member of our Board, received the Gold Bauhinia

Star. Other supporters of the College, Dr. TAN Siu Lin, GBS and Prof. CHAN Ching Chuen, GBS, also received the Gold Bauhinia Star. Their achievements inspired all of our staff to continue serving society, contributing to Hong Kong and our country. Our development would not have been possible without the long-term guidance and support of members of our Board of Governors and College Council as well as many distinguished individuals. I am deeply grateful for their contributions.

In keeping with the times, the College has been proactively supporting the national Belt and Road Initiative. Since the establishment of the One Belt and One Road Research Institute in 2017, the College has continuously promoted interdisciplinary academic research and engaged in scholarly exploration related to the Initiative. In 2023, to mark the 10th anniversary of the Initiative, the Institute was upgraded to academic Faculty level and renamed as 'Ng Teng Fong • Sino Group Belt and Road Research Institute', with the aim of nurturing a new generation of academic and research experts in this field. Looking ahead, the College will continue to seize opportunities arising from the development of the Greater Bay Area and the Belt and Road Initiative, and remain committed to cultivating talents with global vision and cross-cultural competence who are adept at bridging China and the world, thereby making greater contributions to society, the nation and the world.

At the same time, the College has actively promoted national security education, striving to enhance students' understanding of national affairs, strengthen their sense of national identity and foster belonging and patriotism. During the reporting period, the graduation ceremony for the second cohort of the Recognised National Security Education Instructor Training Programme was held in the College campus. The event was officiated by the Chief Executive of the HKSAR, Mr. John LEE.

The aspiration for reverting to university title is a shared and unwavering goal for all members of Hong Kong Chu Hai College. This is not merely an elevation of institutional standing but also an extension and fulfillment of our Vision and Missions. Every time I stroll across the campus and see the cassia tree gracefully blooming through the changing seasons, I am filled with a deep sense of respect. The cassia tree has grown in harmony with the College, bearing witness to our achievements in nurturing students and the vitality of campus life. Looking ahead, I am devoted to advancing together with the entire College community, uniting our efforts and striving forward with our goals, as we move together toward the bright future as a recognised university.

2022/23 及 2023/24 學年，是學院務實前行、精耕細作的時期。2023 年 9 月，學院以「蘭馨蕙馥，帆啟蓬張」為主題，舉辦「學院領導規劃交流會」，校董、校委、高層領導、中層管理、分科院長、系主任、課程組長及行政部門主管齊聚共 50 多人，為《學院戰略計劃 2024-2029》集思廣益。交流會後的日子，經多次討論交流，並經校董會及校務委員會審議通過，戰略計劃順利完成。靜水深流，春山吐翠，這份戰略計劃凝聚了學院同仁的熱忱與智慧，為學院未來的發展播下了茁壯的種子。

自 1947 年珠海大學創立廣州以來，經歷多次遷徙，從珠江之畔至香江之濱，由旺角至荃灣，最終落戶屯門，紮根香港。2022 年 12 月，教育局批准學院更名，於「珠海學院」前冠以「香港」二字，進一步彰顯了學院「立足香港、背靠祖國、連接大中華、面向全世界」的辦學定位，亦標誌著學院發展邁向新里程。更名的背後，是歷史的積澱與使命的傳承，更是面對未來的堅定承諾。

縱使環境流轉變遷，學院始終堅守初心，以育人為本，造就了一代又一代學子。七十七載風華，學院的每一點進步，包括招生工作穩中有進，皆有賴歷代教職員的辛勤澆灌與堅守。老員工如深根老樹，默默貫注豐盈養分；新同仁如新枝嫩葉，昂揚奮進。我在此感謝署理校長張珍女士帶領學院、並學院全體同事的共同努力，他們的責任承擔與熱誠，為學院的長遠發展奠定堅實基石。歷屆校友遍佈海內外，乃至各行各業，成為社會的中堅力量，其中不少人以捐資回饋母校的實際行動，支持學院發展，薪火相傳，互助共榮。值此，我謹向長期關心學院，秉持共同理念，致力促進教育、研究與知識發展，培育社會所需人才的校友，致以誠摯謝意。

同時，學院的校董和校委身體力行，積極回饋社會，對國家及香港作出貢獻，並得到了香港特區政府的表彰和認可。2024 年 7 月，學院特別舉辦「恭賀 2024 榮譽授勳校董及支持賢達祝賀會」，慶賀校董會副主席李焯芬教授，GBM, GBS, SBS, JP 及林樹哲先生，GBM, GBS, SBS 榮獲最高榮譽之大紫荊勳章，學院校董黃永耀先生之尊翁黃志祥先生，GBS、也是學院的捐助者，榮獲金紫荊星章。除此之外，學院的支持者陳守仁博士，GBS 和陳清泉教授，GBS 亦獲得了金紫荊星章的殊榮。以上各位的努力成果，激勵著學院同仁

以他們作為學習楷模，繼續服務社會，回報香港，貢獻國家。學院的長足發展，離不開校董、校委及各界賢達長期以來的寶貴指導與支持，讓奉獻精神得以弘揚。我謹向各校董、校委及所有支持學院發展的賢達致以由衷感恩。

此外，學院與時俱進，積極響應國家倡議的「一帶一路」發展策略。自 2017 年設立「一帶一路研究所」以來，學院持續推動跨學科學術研究，積極參與「一帶一路」倡議相關領域的學術探索。2023 年，適逢「一帶一路」倡議十周年，學院將研究所升格為研究院，命名為「黃廷方·信和一帶一路研究院」，更有效培育相關領域的學術與研究人士。未來，學院將繼續把握粵港澳大灣區及「一帶一路」發展契機，致力培養具國際視野、融通中外的優秀人才，為社會、國家及世界作出更大貢獻。

同時，學院亦積極推動國家安全教育，致力提升學生的國家觀念、增強家國情懷、民族感情與國民身份認同。期內，國家安全教育中心第二期國家安全教育認可導師資格課程畢業典禮假學院舉行，香港特別行政區行政長官李家超先生親臨主禮及指導。

「正名大學」是香港珠海學院全體同仁矢志以赴的共同夙願。這不僅是辦學級別的提升，更是願景與使命的延展與實踐。每當我徜徉於校園平台，凝望「節果決明」樹於四時更迭中安靜綻放，心中總油然而生敬意。「節果決明」樹與學院共長，見證了收生成果豐碩，學子雲集，校園充滿生氣。展望未來，我將繼續與學院上下，凝聚眾志，同心協力，篤行致遠，攜手迎接正名大學的燦爛花季。

Council Chairman's Overview

校務委員會主席前言

In response to the HKSAR Government's proposed amendments to the *Post-Secondary Colleges Ordinance* (Cap. 320), the College continued to take on its transitional governance arrangement during the 2022-23 and 2023-24 academic years, in which the Board of Governors and the College Council held joint meetings to streamline decision-making, ensuring a smooth and orderly transition to the new governance structure under the amendments to take effect in the near future. Over the five academic years from 2019 to 2024, the College implemented the enhanced governance structure. In 2020, the Hong Kong Council for Accreditation of Academic and Vocational Qualifications (HKCAAVQ) approved the proposed enhanced governance structure of the College, further strengthening the College's commitment to its Vision and Missions.

The College has moved forward with the five Strategic Focus Areas outlined in its *Strategic Plan 2019-2024*:

- In the area of academic development, the College introduced minor programmes and the general education framework to enhance curriculum flexibility. These changes strengthened professional education and ensured continued recognition from professional bodies. New programme development proposals were submitted by the senior management to the University Development Committee, which were then considered for approval by the Board of Governors and College Council. To meet growing societal needs, the number of postgraduate programmes increased to 16, arriving in a substantial rise in total student enrolment. After the pandemic, the College fully rolled out a blended teaching and learning platform in the system.
- In terms of student development, thanks to pandemic relaxation, the College was able to expand student exchange and collaboration memoranda and agreements with other institutions from the 2022-23 academic year, giving students wider international exposure. Students' learning experiences were enriched and their understanding of communities were deepened through various community service projects.
- In the area of research, the College steadily increased research resources for academic staff between 2019 and 2024. During this period, academic staff of the College successfully secured research grants through the Faculty Development Scheme and Inter-Institutional Development Scheme of the Research Grants Council, as well as Research Matching Grant Scheme of the University Grants Committee.
- In terms of resources, the College managed to increase overall efficiency and optimisation of facility usage after a capacity analysis of usable floor area and space assignment. There was also expanded outdoor space and upgraded existing facilities. Examples included a College history gallery, a fitness room, outdoor gathering areas, as well as more classrooms, computer rooms and laboratories.

- In the area of academic quality assurance, there have been regular reviews and revisions of the *Academic Quality Manual*. The senior management has been regularly reporting the status of academic quality assurance including student and graduate survey results to the governing bodies.

In addition, between 2019 and 2024, the senior management of the College reported annually to the Board of Governors and College Council on key performance indicators (KPIs) data with analysis, covering 28 quantitative KPIs which were developed in line with the five Strategic Focus Areas set out in the College's *Strategic Plan 2019-2024*, approved by the HKCAAVQ. The HKCAAVQ reviewed the College's data with the measurement methods and timelines of the 28 quantitative KPI for 2019/20 and 2020/21 academic years, and found the KPI results satisfactory and requirements by the HKCAAVQ were fulfilled. Furthermore, the senior management submitted a new set of 37 quantitative KPIs according to the Strategic Areas of the new *Strategic Plan 2024-2029* of the College approved by the Board of Governors and College Council.

Progress was also made in risk management. The College's Risk Register previously established encompassed six key areas: academic, operational, financial, strategic, reputational and compliance. With the Risk Register fully in place, regular risk assessments were conducted and quarterly reports were submitted to the governing bodies. This systematic approach enabled the College to proactively identify and address emerging risks and implement effective mitigation measures. The College remained committed to cultivating a robust risk management culture, enabling agile responses to ongoing external challenges and supporting steady development.

The College's achievements to date are clear testament to the collective efforts by all members of the College. On behalf of the College Council, I wish to extend my sincere gratitude to the Board of Governors for their guidance, and to all academic and non-academic staff members of the College for their hard work and dedication. Looking ahead, the College will continue to uphold unity embracing the *Chu Hai spirit*, taking confident steps towards attaining the university title, as eloquently expressed in our College Anthem:

"Chu Hai's halls rise, a noble university grand,
Fostering talent, nurturing every hand.
Showers of wisdom, like rain vast and strong,
Our spirit endures, united and long."

Chairman, College Council

應香港特區政府修訂《專上學院條例》（第320章）的建議，學院於2022-23及2023-24學年仍繼續採取管治架構之過渡安排，並實施校董會與校務委員會聯合召開會議，促進有效決策協調。該安排在期內持續落實，待條例修訂生效後，學院的管治架構便能穩健有序地根據修訂的《專上學院條例》順利銜接。同時，學院在2019-2024五個學年間，實行優化管治架構，2020年得香港學術及職業資歷評審局認可學院的優化建議，堅實鞏固了學院願景及使命的實踐。

學院依據其《戰略計劃2019-2024》，在五個戰略重點範疇落實：

- 學院為提升學術環境之課程靈活性，推出了副修課程及通用課程結構。此等變革不但強化了專業教育，亦確保學院持續獲得專業協會的認可。學院管理層已向大學發展委員會提交新課程發展建議，並由校董會及校務委員會審議通過。為應對日益增長的社會需求，學院的研究院課程已增至16個，學生總數亦因此顯著上升。疫情過後，學院已全面推行混合式教學平台。
- 學院隨著疫情放緩，自2022-23學年起，在學生發展方面，擴展了與其他院校的學生交換及合作備忘錄與協議，為學生提供了更廣闊的國際視野。透過各項社區服務項目，豐富了學生的學習體驗，亦加深了他們對社區的認識。
- 研究方面，學院從2019年到2024年間，穩步為教學人員增加研究資源。期內，學院教職員成功獲得研究資助局之「教員發展計劃」及「跨院校發展計劃」，以及大學教育資助委員會之「研究配對補助金計劃」的研究資助。
- 學院在資源支持方面，根據可用樓面面積進行了容量分析，並檢視了空間使用情況，旨在提升設施的整體效率和優化使用。學院已擴建戶外空間並升級現有設施，例如校史廊、健身室、戶外休憩空間，以及增設更多課室、電腦室和實驗室。
- 學院在學術質素保證方面，定期審視及修訂《學術質素手冊》。學院管理層一直定期向管治機構匯報學術質素保證的狀況，包括學生及畢業生問卷調查的結果。

此外，於2019-2024期間，學院管理層每學年均匯報校董會及校務委員會其「關鍵」績效指標（KPI）數據及分析，其中包括評審局認可之學院《戰略計劃2019-2024》五個重點範疇下的28個「定量績效指標」。評審局對學院2019/20及2020/21學年的28個績效指標數據之量度方法與達成之目標，均表示滿意，並符合評審局的要求。隨著《戰略計劃2019-2024》達成，因應學院的發展，管治層審核並接受管理層提交的下一份《戰略計劃2024-2029》，同時亦同意新一套37個未來五年的定量績效指標。

學院在風險管理方面的工作亦提升推進。學院早前制訂的風險登記冊涵蓋學術、運營、財務、策略、聲譽及合規六大範疇。隨著風險登記冊全面投入運作，學院持續進行定期風險評估，管理層按季度向管治層提交報告。透過此系統化的風險管理流程，學院能夠及早識別並主動應對潛在風險，並制訂有效的緩解措施。學院將繼續優化及鞏固風險管理文化，應對不斷變化的外部挑戰，確保學院穩健發展。

學院迄今所取得的成就，全賴學院上下的共同努力。本人謹代表校務委員會，衷心感謝校董會的指導，並向全體教職員的辛勤付出與貢獻致以謝意。展望未來，學院將繼續秉持團結的珠海精神，致力向正名大學的目標邁進堅實的大步，宛如《珠海校歌》：「珠海興庠；蔚成大學…培英育秀，化雨汪洋。…吾校精神永同方。」

Report from the Interim President

署理校長報告

The 2022/23 and 2023/24 academic years represent two transformative periods for Hong Kong Chu Hai College ('the College') as we moved forward in pursuit of our Missions and achieved new milestones. With the pandemic subsiding, the College deftly adapted to a new normal integrating online and face-to-face teaching and learning enhancing educational quality, and remained steadfast in its Vision of establishing itself as a private university of international standing. The return to full campus life sparked renewed vibrancy; extracurricular activities flourished as the number of events increased by 33% and student participation rose more than seventeen fold, in comparison of figures between 2021/22 and 2023/24. Over the past two years, we not only surmounted the challenges of the post-pandemic era but also resolutely advanced towards attaining the university title. The following encapsulates the major accomplishments of the College in the 2022/23 and 2023/24 academic years:

Sowing Seeds for the Future: Blooming of the Strategic Plan 2024-2029

During this period, the College completed the formulation of its *Strategic Plan 2024-2029*, sowing the seeds for the next five years of robust growth. Rooted in the four foundational pillars of academic environment, student development, research and resource support, the Plan set forth a clear pathway to university status.

A New Flower Blossoms: Renaming of the College

In December 2022, with the approval of the Education Bureau, the College embraced its new name of 'Hong Kong Chu Hai College', ushering in a vibrant new chapter in its journey of renewal. Our newly designed emblem, inspired by the College motto, 'Knowledge and Integrity', was unveiled at the Launching Ceremony in September 2023. At its heart, a luminous pearl of wisdom rested serenely upon interwoven waves of silver, green and blue, symbolising integrity, knowledge and the boundless sea of discovery. This emblem, in harmony with our motto, encapsulates our aspiration to cultivate wisdom, character and global perspectives for every student.

The Bloom of University Title: Turning Sunward to Flourish

In pursuit of university status, the College unleashed a coordinated effort to prepare for its institutional review. Delegations visited other higher education institutions to share experience and exchange ideas in areas of academic excellence, research, financial sustainability and quality assurance. The establishment of the Institutional Review Steering Committee and Working Group has ensured a

rigorous and concerted effort for the attainment of the university title, with reports being regularly submitted to the Board of Governors. Student enrolment also grew robustly, which serves as a testament to both the appeal and relevance of the College's programmes and a sturdy root system ensuring our sustainable development.

Fragrant Blossoms along the Silk Road: The Belt and Road Initiative

Founded in 2017 in response to the nation's call for Belt and Road development, our College's 'One Belt One Road Research Institute' became a vibrant garden of interdisciplinary research and cross-cultural exchange. Our two Master's programmes: Master of Social Sciences in International Business Management for Belt and Road Countries, and Master of Social Sciences in International Relations for Belt and Road Countries, were launched in 2019 to widespread acclaim. In December 2023, the Institute was upgraded to an academic faculty level and renamed as the 'Ng Teng Fong • Sino Group Belt and Road Research Institute', thereby expanding both its academic offerings and international network. To commemorate the Initiative's tenth anniversary, the Institute co-hosted the 'Belt and Road Forum: Brave New World' in collaboration with the Silk Road Economic Development Research Centre and the Maritime Silk Road Society, with distinguished speakers including Financial Secretary Mr. Paul CHAN, former Secretary-General of the Shanghai Cooperation Organisation Dr. Vladimir NOROV, and dignitaries from Thailand and the Philippines, fostering flourishing regional dialogue and collaboration.

New Branches, Vigorous Growth: Innovations in Academic Programmes

Throughout these past two academic years, the College passed in the eight new learning programme accreditations and nine programme re-accreditations by the HKCAAVQ, and continued to have the Programme Area Accreditation for 7 areas (7 PAAs) recognised by HKCAAVQ. The College's academic offerings now boast 16 Master's and 14 Bachelor's programmes, with Master's offerings expanding from 12 in 2022 to 16 in 2024. Reflecting the society's evolving needs, our new programmes have come into bloom in fields such as artificial intelligence, cultural heritage and applied finance. Notable examples include the Master of Science in Applied Artificial Intelligence, nurturing AI talent; our Master of Arts in Cultural Heritage advances preserving research across Hong Kong and the Greater Bay Area; and our Master of Science in Applied Finance programme integrating fintech elements. In response to strong demand for the existing Master of Business Administration (Entrepreneurship) programme,

the College also launched a new Master of Business Administration (general) programme tailored for aspiring management professionals, particularly those seeking opportunities in Hong Kong and the Greater Bay Area.

A Bouquet of Partnerships: Academic and Industry Collaboration

The College actively expanded its bouquet of partnerships, forging ties with esteemed institutions both locally and globally. Memoranda of understanding were signed with Nord University (Norway), Üsküdar University (Turkey), University of Western Macedonia (Greece), Peking University (China), Nanjing University (China) and Three Affiliated Schools of Jinan University for Hong Kong and Macao Students, among others, with each partnership representing a new blossom in our academic landscape.

Blossoms of Innovation: Research and Creative Endeavours

Aligning with Hong Kong's aspiration to become an 'international innovation and technology hub', the College established the Arts Tech Research Centre and launched the Master of Arts in Arts Tech and Digital Communication programme, fostering digital creativity and talent at the intersection of technology, art and curation.

In tandem with the rise of fintech, the College established Financial Innovation Laboratories, supporting the Master of Science in Applied Finance with expertise in big data, AI and blockchain, and collaborating with industry across Hong Kong and the Greater Bay Area to nurture the next generation of fintech professionals.

On the research front, the Department of Computer Science of the College partnered with the Faculty of Dentistry of The University of Hong Kong to utilise AI in personalised denture design, earning international accolades. The 'Smart Toothbrush Navigated by Gum AI' garnered a Gold Medal at the Geneva International Exhibition of Inventions, while the 'Tiger Balm Garden Metaverse Platform for Collaborative Learning' project won the Star of Outstanding Award for World Heritage Education Innovation cases, further illustrating the College's blossoming achievements in research and academia-industry synergy.

Roots of Strength, Blossoms of Prosperity: Financial Sustainability

Despite the slow economic recovery after the pandemic over the past two academic years, the financial roots of the

College were strong and resilient, with steady growth in liquidity and a significant increase in student enrolment. The College will continue to steward our resources wisely, ensuring sustainable financial health and ever more abundant growth in our academic standards and overall institutional advancement grounded in stable growth in student population.

In Bloom and Beyond: Cultivating University Status for a Flourishing Future

Reflecting on the past two years, the College had moved forward with an unwavering resolve, ushering in a veritable garden of achievements. The steady launching of new programmes, rising enrolment, international recognition in research, and a flourishing network of partnerships have all infused the College with renewed momentum for sustainable growth.

The progress of the College owes much to the steadfast support of benefactors and partners who share our commitments to nurturing talent, advancing education and giving back to society. We are deeply grateful for the significant increase in donations received during the period, which stands as a strong recognition of the College's ongoing efforts and achievements in donation affairs and College development. The College extends its sincere gratitude for the acknowledgement and support from all sectors of the community.

Recognising the weight and promise of our journey towards the university title, I will, under the wise guidance of the Board of Governors and College Council, continue to lead and walk with our faculty and administrative staff fulfilling our Vision of becoming a prominent private university of international standing recognised for its contributions to quality higher education. Like the well-tended cassia tree, our College, cultivating each seed of progress, will burst forth in full bloom and bear fruit as a prominent private university.

Ms. ZHANG Jane
Interim President

2022/23 及 2023/24 學年，為香港珠海學院（下稱「學院」）承載追求使命、邁向嶄新里程的兩載。隨著新冠疫情日趨平穩，學院在新常態下靈活運作，採用融合線上與面授的混合教學模式，持續優化教學質素，矢志實踐「以優質高等教育而享譽國際的私立大學」的願景。復常之後，校園活動生氣盎然，課外活動蓬勃發展，與 2021/22 學年比較，2023/24 學年的活動數量增加了 33%，學生參與人次更增長超過 17 倍。過去兩年，學院不僅成功應對後疫情時代種種挑戰，更向正名為私立大學之路上邁進。茲將 2022/23 及 2023/24 學年之主要成果撮要如下：

《戰略計劃 2024-2029》 孕育花蕾

學院於期內完成制定《戰略計劃 2024-2029》，為下一個五年發展擘劃明確方向。未來五年以學術環境、學生發展、研究、資源支援四大核心為本，明確訂下正名成私立大學之目標。

學院更名 綻放新顏

2022 年 12 月，獲教育局批准，學院正式更名為「香港珠海學院」，煥發新姿，開啟品牌重塑的嶄新篇章。新校徽以校訓「求智珠、通四海」為設計靈感，於 2023 年 9 月啟動禮上首次綻放光華。校徽中央，智慧之珠熠熠生輝，靜臥於銀灰、青綠與蔚藍交織的海浪之上，寓意誠信、知識與智慧，以及廣闊無垠的海洋與世界。此設計與校訓追求知識、凝聚智慧之珠、誠信品格、通達五湖四海之意相映成輝，寄託學院對學子的深切期許。

正名之花 向陽漸盛

為實現正名私立大學之宏圖，學院積極展開機構評審的各項準備工作。期內，學院代表團多次拜訪其

他高等學府，就廣納經驗，在學術、研究、財務可持續性及質素保證等範疇相互交流。學院亦成立了「正名大學機構評審督導委員會」及「正名大學機構評審工作組」，學院上下協同推進，定期遞交季度報告至校董會，並接收指導意見。同時，學院學生人數穩步上升。穩健的生源增長，不僅彰顯學院課程的吸引力，也體現課程貼合社會需要，並為學院未來持續發展奠定堅實根基。

「一帶一路」 繁花處處

學院的「一帶一路研究所」應國家「一帶一路」倡議於 2017 年成立，進行相關策略與發展的跨學科研究。兩個社會科學碩士課程「一帶一路國家國際工商管理」及「一帶一路國家國際關係」自 2019 年開辦以來，深受社會及業界讚譽。學院於 2023 年 12 月把「一帶一路研究所」升格至分科學院級別，並改名為「黃廷方·信和一帶一路研究院」，以進一步優化現有課程，同時擴展與一帶一路國家高校及研究機構的國際網絡。值「一帶一路」倡議十周年之際，研究院更聯同「絲綢之路經濟發展研究中心」及「海上絲綢之路協會」合辦「一帶一路十周年論壇——美麗新世界」，特邀財政司司長陳茂波、前上海合作組織秘書長 Norov 博士，以及泰國和菲律賓等地政要蒞臨主講，進一步促進地域交流與合作。

課程新枝 應時茁長

在此兩學年內，學院共有八個新課程及九個現有課程，成功通過香港學術及職業資歷評審局（評審局）的課程評審與覆審；同時，七個學科範圍亦繼續獲得評審局的學科範圍評審資格。期內，學院共提供 16 個碩士課程和 14 個學士課程，碩士課程數目比前兩學年顯著增長，從 2022 年的 12 個增至 2024 年的 16 個。學院緊貼社會脈動，新開辦的課程，

涵蓋人工智能、文化遺產及應用金融學等重點範疇。例如「應用人工智能理學碩士」致力培養人工智能專才；「文化遺產文學碩士」推動本地及大灣區文化保育研究；「應用金融學」碩士則加入了金融科技元素，切合市場和有意深造人士的需要。此外，鑑於工商管理（創業管理）碩士課程廣受歡迎，且本地與大灣區發展對商業管理人才需求之殷切，學院於期內推出全新工商管理碩士課程，專為有志投身管理崗位之人士而設。

學術合作 群芳共譽

學院積極拓展學術及業界合作網絡，與本地及全球知名院校建立聯繫，先後與挪威諾德大學、土耳其伊斯坦堡於斯屈達爾大學、希臘西馬其頓大學、中國北京大學、南京大學、三所暨大港澳子弟學校等機構簽訂合作備忘錄，為學院的學術版圖增添絢爛色彩。

實驗科研 聲名播遠

香港致力發展成為國際創新科技中心，有見及此，學院新成立「藝創科技研究中心」，並於期內推出了由新聞及傳播學系開辦的「藝創科技及數碼傳播文學碩士」課程，推動數碼創意產業發展，培訓能將數碼科技融入藝術創作、策展、創新應用的專業人才。

同時，順應金融科技新浪潮，學院增設「金融創新實驗室」，配合應用金融理學碩士課程，融合大數據、人工智能與區塊鏈等技術，與香港及大灣區業界攜手，培育兼備理論與實踐的金融科技新才。

科研方面，學院資訊科學學系與香港大學牙醫學院合作，成功運用人工智能自動設計個人化假牙，提升病人治療體驗，並於國際學術舞台獲得殊榮。另外，「Gum AI」賦能「智慧牙刷」亦於日內瓦國際發明展榮獲金獎。「虎豹別墅：元宇宙協同教育平台」

項目也在全球世界遺產教育創新案例中榮獲卓越之星獎，並配合學院的「虛擬實境教學實驗室」，讓參加者利用虛擬實境裝置探索互動，充分彰顯學院在研究創新及產學合作方面的穩健進展。

財務穩健 本固枝榮

過去兩個學年，儘管疫後經濟需時復甦，學院的財務狀況穩健良好，流動資金穩步增長，在校學生人數亦顯著增加。學院未來將繼續審慎運用資源，確保實現財務的可持續性，並在確保學生人數穩定增長的基礎上，不斷提升學院學術及整體水平。

總結與展望：正名大學 任重致遠

回首過去兩學年，學院秉持堅毅信念，穩步前行，成果昭著。新課程穩步推出，招生人數持續上升，學術研究屢獲國際嘉許，院校的產學合作網絡日益拓展，使學院的永續發展注入澎湃動力。

學院發展，亦有賴與學院抱持共同理念之善長賢達支持，為培育英才，貢獻教育，回饋社會共同作出重大貢獻。期內，學院所獲捐贈顯著增長，這充分肯定了學院在捐贈工作與發展方面的努力和成效，學院謹此衷心致謝各界對學院工作的認可。

深知正名大學之工作，任重而道遠，我將在校董會與校務委員會的睿智指導下，帶領教職員點滴耕耘，矢志實現「以優質高等教育而享譽國際的私立大學」之願景。誠如節果決明木，歷經悉心澆灌，方得枝繁葉茂，花繁果碩。

Highlights of the Year
大事回顧

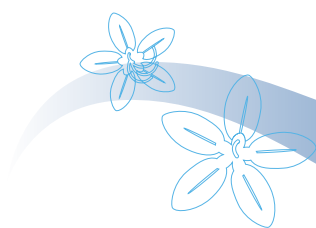

Hong Kong Chu Hai College

Taking into account the College's history and its future development, the Board of Governors in March 2022 proposed renaming the College. While acknowledging with gratitude the contributions of our predecessors who built and expanded the College, the proposal embodies the spirit of carrying forward their legacy, honouring the past while, on the foundation of these achievements, creating an even brighter future. In the end, the Board of Governors resolved to rename the College as Hong Kong Chu Hai College, and this change was approved by the Education Bureau and the Hong Kong Council for Accreditation of Academic and Vocational Qualifications within the same year.

香港珠海學院

考慮到學院的歷史及其未來的發展，校董會於 2022 年 3 月提出建議更改學院名稱。在對前賢感恩其建立和擴大學院的同時，秉承先啓後的精神，繼承過去，並在成就的基礎上，創建更美好的未來。最終校董會決定將學院名稱改為「香港珠海學院」，並於同年獲香港教育局及香港學術及職業資歷評審局批准。

HKCHC Unveiled New College Emblem Marking a Significant Milestone

Following its renaming in December 2022, Hong Kong Chu Hai College (HKCHC) was approved by the Board of Governors to adopt a new College emblem in May 2023.

The new emblem is inspired by the College motto, 'Cognitio et Integritas', which means 'Knowledge & Integrity'. Wisdom is intangible yet ever-present, boundless and without borders. The 'pearl of wisdom' is subtly embedded within a wave-like structure composed of three colours, each carrying its own symbolism. The Chinese name of the College retains the original calligraphy by PU Ru (style name Xin Yu), reflecting both a respect for tradition and a deliberate departure from conventional visual balance and symmetrical rules. The emblem's overall design is concise and stylish. Through philosophical contemplation and a modern, abstract approach, it conveys the essence of the College motto and distinctive character.

香港珠海學院新校徽啟用標誌重要里程碑

香港珠海學院繼 2022 年 12 月易名後，於 2023 年 5 月獲校董會通過更換新校徽。

新校徽以學院校訓：「求智珠、通四海」為設計意念。「智慧」無形而存在，無邊無界。智慧之珠隱現在以三種顏色組成的海浪結構之上，各有象徵。中文校名沿用原有傅儒（字心畬）墨寶，既秉承傳統，亦刻意突破傳統視覺平衡於對稱規範。標誌結構簡約時尚，以哲學的思考及現代抽象手法展現校訓和特色。
